

IMPORTANT: Carefully read both sides of application before submitting. It is the applicant's responsibility to complete the application and submit the required supporting documentation. Rebates are available for new and existing buildings on a small general service rate schedule. The application must be signed by the customer holding the Columbia Gas of Virginia account. Rebates will not be paid for ineligible or incomplete applications.

APPLICATION INSTRUCTIONS

1. **Verify** your eligibility by visiting the WarmWise website at www.columbiagasva.com or by calling 1-877-623-5065.
2. **Purchase and install** a qualified measure. To find out more about products and services which qualify, visit <http://www.columbiagasva.com> or call 1-877-623-5065.
3. **Complete** the Business Savings General Application.
4. **Review and sign** the Acceptance of Terms (must be customer signature).
5. **Include** all of the following in your application package: General Application, supporting documentation as detailed in the application, and a copy of your most recent Columbia Gas of Virginia bill.
6. **Keep** a copy for your records.
7. **Mail** the completed application package to:
Columbia Gas of Virginia
WarmWise Rebates
916D West Atlantic Street #351
Emporia, VA 23847
8. **Allow** approximately 6 - 8 weeks from receipt of completed application and documents to receive your rebate check.

Customer responsibilities & tips for hiring a contractor:

- Check contractor's license.
- Ask for referrals and obtain multiple bids
- Get a written and itemized estimate and verify accuracy of information including cost, square footage and warranty information.
- Always have a signed written proposal before work gets started.

EQUIPMENT INFORMATION

Rebate Availability

The Columbia Gas of Virginia Home Savings Program has been approved by the Virginia State Corporation Commission and may be subject to changes at any time. All efficiency measures must be new, must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after January 1, 2010. Applications must include all information requested or the rebate may be delayed or denied. A portion of the Columbia Gas of Virginia Home Savings Program is funded by the U.S. Department of Energy through the American Recovery and Reinvestment Act.

Rebate Qualifications

Before applying, please check your rebate eligibility. Eligible businesses are on a SGS or the SGTS or EDS Rate Schedule. Please call **1-877-623-5065** to check your rate schedule.

Qualifying measures and services may be found online at <http://www.columbiagasva.com> or by calling **1-877-623-5065**. Efficiency measures must be installed in businesses within Columbia Gas of Virginia's service area. Applicants cannot apply for a rebate on the same appliance from both Columbia Gas of Virginia and another natural gas rebate program.

Application Details

All rebate checks will be sent to the mailing address listed on the customer's Columbia Gas of Virginia account and in the customer's name. Columbia Gas of Virginia issues rebates in the form of checks, not utility bill credits. Columbia Gas of Virginia is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Columbia Gas of Virginia will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

Applications are subject to verification by Columbia Gas of Virginia. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

The customer hereby transfers to Columbia Gas of Virginia all "Environmental Attributes" attributable to the Qualifying Measure or its operation. "Environmental Attributes" means those aspects, claims, characteristics and benefits of avoided energy use associated with the Measure(s). Environmental Attributes include all environmental benefits, avoided emission characteristics, credits, allowances, reductions, offsets, and benefits associated with the savings of energy and the reduction of generation from non-renewable energy resources, including any avoided emissions of carbon dioxide, methane, and any other greenhouse gases, but do not include any tax benefits or credits associated with the Measure.

Rebate Limitations and Limitation of Damages

Payment of the rebate by Columbia Gas of Virginia does not warrant the performance of the qualifying/installed efficiency measures and does not warrant that the qualifying/installed efficiency measures will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Columbia Gas of Virginia, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Columbia Gas of Virginia, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.
