TERMS AND CONDITIONS

Rebate Availability

The Columbia Gas of Virginia Business Savings Program has been approved by the Virginia State Corporation Commission and may be subject to changes at any time. All efficiency measures must be new, must be purchased and installed prior to submitting a rebate application, and must have been purchased and installed on or after January 1, 2018. Applications must include all information requested or the rebate may be delayed or denied. All purchases and installations must be made by 12/31/2018. **Rebate forms must be received within 120 days of purchase and installation, or by 1/31/2019, whichever is sooner.**

Rebate Qualifications

Before applying, please check your rebate eligibility. Eligible businesses are on a SGS1, SGS2, SGTS1, SGTS2 or EDS Rate Schedule. Please call **1-804-777-3077** to check your rate schedule.

Qualifying measures and services may be found online at <http://www.WarmWiseVA.com> or by calling **1-877-623-5065**. Efficiency measures must be installed in businesses within Columbia Gas of Virginia's service area. Applicants cannot apply for a rebate on the same appliance from both Columbia Gas of Virginia and another natural gas rebate program.

Application Details

All rebate checks will be sent to the mailing address listed on the customer's Columbia Gas of Virginia account and in the customer's name. Columbia Gas of Virginia issues rebates in the form of checks, not utility bill credits. Columbia Gas of Virginia is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Columbia Gas of Virginia will not pay rebates for efficiency measures that are mislabeled or misrepresented by dealers regarding rebate qualifications.

Applications are subject to verification by Columbia Gas of Virginia. If your application is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Rebate Limitations and Limitation of Damages

Payment of the rebate by Columbia Gas of Virginia does not warrant the performance of the qualifying/installed efficiency measures and does not warrant that the qualifying/installed efficiency measures will deliver any specified amount of energy or cost savings. The customer shall independently evaluate any information related to the qualifying equipment. Neither Columbia Gas of Virginia, its parent company, affiliates, subsidiaries, officers, employees, nor its contractors make any warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Columbia Gas of Virginia, its parent company, affiliates, subsidiaries, officers, employees, or its contractors.

Required Supporting Documentation (Rebate will not be processed without these items.)

Include the following supporting documents in your application package:

- W-9 Tax Form
- General Application
- Paid sales receipt or invoice that clearly details the following:
 - Retailer/Contractor name, address and phone number
 - Purchase date and install date (if different)
 - Itemized detail of cost and description
- Before and after photos of installed attic and floor insulation measures. Photos MUST include:
 - A measuring tape/ruler inserted to the bottom of the existing insulation showing total insulation depth in inches.
 - Clear and legible numbers on measuring tape/ruler
