A map of Columbia Gas of Virginia's service territory can be found at www.columbiagasva.com/en/about-us. Pre-rinse spray valves must be installed in businesses served by Columbia Gas of Virginia and within Columbia Gas of Virginia's service area.

Voucher Details

All pre-rinse spray valves will be sent to the mailing address listed on the customer's Columbia Gas of Virginia account and in the customer's name. Vouchers are subject to verification by Columbia Gas of Virginia. If your voucher is selected for verification, it will not be processed until the verification process is satisfactorily completed.

Voucher Limitations and Limitation of Damages

To the fullest extent allowed by law, shipment and delivery of pre-rinse spray valve(s) by Columbia Gas of Virginia does not constitute a warranty of any kind regarding the performance the pre-rinse spray valve(s) or any specified amount of energy or cost savings it may achieve. The customer is responsible for and shall independently evaluate any information related to the pre-rinse spray valve(s). To the fullest extent allowed by law, Columbia Gas of Virginia and its parent company, affiliates, subsidiaries, officers, employees, and contractors make no warranty, expressed or implied, or assume any legal liability or responsibility for the accuracy, completeness or usefulness of any information, estimated savings, benefits, products or process disclosed, or represent that its use would not infringe on privately-owned rights. Reference to any specific commercial project, processes, or service by trade name, trademark, manufacturer, or otherwise does not necessarily constitute or imply its endorsement, recommendation, or favoring by Columbia Gas of Virginia, its parent company, affiliates, subsidiaries, officers, employees, or contractors. Customer acknowledges that Columbia Gas of Virginia is not the manufacturer or distributor of the pre-rinse spray valve(s). Customer agrees to look only to the manufacturer or distributor and not Columbia Gas of Virginia, to satisfy and/or correct quality, issues or claims by the pre-rinse spray valve(s).
