

NEW CONSTRUCTION REBATES

Save Now with WarmWise - Columbia Gas of Virginia's energy efficiency and conservation program is designed to help you lower the cost of purchasing high efficiency natural gas equipment and help your customers save on their natural gas bills.

New Construction Rebates to help save energy and money.

Our **WarmWise Home Savings Program** offers builders cash back rebates for the purchase and installation of new qualifying energy-saving equipment. You can receive a rebate for each qualifying equipment purchase and installation. For example, if you purchase a qualifying furnace and smart thermostat, you will receive two rebates, while funds remain available.

* Rebates are paid to builders installing qualifying measures in Columbia Gas of Virginia's service area. WarmWise rebates and program offerings are not guaranteed. Program funding is limited to levels approved by the Virginia State Corporation Commission. Rebate and program requests are processed and approved on a first-come, first-served basis.

** ENERGY STAR Smart Thermostats in new construction are only eligible for rebates if they accompany an eligible Tier 3 gas furnace.
